### About Us

Hijli College started functioning from August 1995. Bounded by vastly stretched forest of Sal, Akashmoni and Eucalyptus on one side, the college is situated in the midst of a green meadow of Kuchlachati village, about 1.5 Km. towards the eastern side of the IIT, Kharagpur. For quite some time, the residents of Hijli Co-operative society, Sonamukhi, Kuchlachati and many other localities around, have been facing severe problems owing to the absence of an academic institution in the region, which would provide higher education to their wards. Concerned at this scenario, a group of dedicated, academic people came forward for the establishment of a college in the region. As a result, Hijli College came into existence. This is of immense importance especially for the educationally disadvantaged students of the backward area where it is located. At present, students are benefitted by a Mou between Hijli College and Department of Electronics and Electrical Communication engineering, IIT, Kharagpur, carrying out a project funded by IEEE (Institute of Electrical and Electronics Engineers) to train the students regarding innovation in Electronics Technology for the benefit of mankind.
